Instructions: Follow the green color-coded Cates Ave. signs and traffic attendants to locate the 45-minute unloading parking near the Residence Halls, and then relocate the vehicle to long-term parking. A map and directions are provided below of the Cates Ave. area.

**Print this document in color then fold in half and display with the top half of the page face up and visible to the traffic attendants. Each vehicle should have a placard displayed.**

- To access 45-min unloading for Alexander, Turlington, Owen and Tucker: Western Blvd to Morrill Dr, at stoplight bear left onto Cates Ave. into one-way traffic. Long-term parking is located in Dan Allen Deck, West Lot, West Deck and Morrill Dr.
- Oversized vehicles for this area may park in the Steam Plant Lot as indicated on the map.
