**Administrative Information**

**Billing**
Rent must be paid online through the MyPack Portal by clicking the ESKV or Western Manor link. Rent can only be paid online using e-check or credit/debit card. Rent should not be paid through student account as the money will apply to tuition and fees first. Financial aid, grants, etc., may apply to rent once tuition and fees have been paid in full. Rent should be paid via eCheck method. This will require a bank account. Payment through a credit card option is available for a limited time.
Billing Continued
Rent is charged to your account on the 1st of the month and the balance must be paid in full by 11:59pm on the 5th. After that, a late charge will be applied to your account. Late charges do not show in your account until the next morning. Additional Note: If you move in after the 1st, or move out before the end of the month, rent will be pro-rated.

Lockout/Keys
Keys are issued at check-in. It is unlawful to duplicate keys. All lost or damaged keys must be replaced by the University. Replacement fees will be charged accordingly to the student’s account.

- If you are locked out of your apartment Monday through Friday between the hours of 8:00 a.m. - 5:00 p.m., come to the office for a temporary key. After 5:00 p.m. or on the weekends, contact the Resident Advisor (RA) on duty.

Gas/Electric Bill
Gas and Electricity utilities are the resident’s responsibility. Information is provided at move-in on how to set up your account with these providers. It is your responsibility to pay connection fees, transfer fees, cancel upon move out, and notify us of any changes. NCSU may charge your account the bill in the event these utilities are not switched over in a timely manner.

Pest Control
Preventative pest control measures are scheduled each semester. Trained staff will enter your apartment and spray white, milky substance in corners and cabinets. Instructions will be provided. Spraying is optional.
Submit a work order with any specific problems. In the event that bed bugs, destruction, or other uncontrolled infestation occurs as a result of the resident, the Community Director reserves the right to require the removal of items (couches, mattresses, etc.) from the premise. Failure to abide by community standards may result in the termination of the Agreement. For more information follow this link: http://www.ncsu.edu/ehs/www99/right/handsMan/worker/pestpolicy.htm

Renewing Agreement
Agreements are renewed during our annual renewal period (March-April). Current residents have priority in keeping current apartment as long as they meet the sign up deadline.

Agreement Cancellation
In the event of terminating the Agreement, students or staff must notify the office two (2) months in advance. Failure to notify us two (2) months in advance may result in rent owed for those two (2) months. Exclusions: graduation, termination of employment, study abroad, or other academic pursuits. Contact the office for additional information.

Subletting
Residents are not allowed to transfer possession, lease, or sublet the apartment to roomers, boarders, or lodgers.

It is also unlawful to provide alcohol to persons under 21. Furthermore, alcohol is to be consumed only in a resident’s private apartment. There should be no consumption of alcohol in any public areas including breezeways, stairwells, common areas, or green spaces.

Appliances
Residents are responsible for proper use of all appliances and/or for reporting necessary work orders.

Bicycle Policy
Bicycles may be parked in areas with bicycle racks using a U-bolt or in the resident’s private apartment if done in such a manner so as not to damage the room or the furnishing or to interfere with maintenance or custodial personnel as they carry out their duties.

Carbon Monoxide Detectors
Due to the natural gas heating mechanisms, carbon monoxide detectors are located in each apartment. In the event of this alarm rings, please contact the RA on duty and exit the room.

Care and Use of Facilities
Renters may not engage in activity that could result in damage to any common area. Disposing of anything out of apartment windows is strictly prohibited. Any damage incurred by the University Apartments in any common area and as a result of a renter or a renter’s guest/s, may result in financial and/or judicial reprimand. Any activity in the dwelling unit that results in damage to the unit will be subject to financial reprimand as set forth in the agreement of said unit.

Cease the Grease Campaign
Oil used to cook can be repurposed. Please dispose of your grease and oil into the green barrel located at your nearest dumpster using our Cease the Grease containers. New containers may be obtained at the Main Office.

Decorating Apartments
Residents may use command strips inside of the apartment but may not make holes in the walls. Painting of the apartment walls is not allowed. Holiday decorations are permitted only during specified holidays. Staff reserves the right to remove items displayed in public spaces. If you have further questions regarding decorating, please contact the main office.
Disposal of Garbage
All garbage must be contained in securely sealed plastic bags. Dumpsters are conveniently located behind the P and Q buildings at ES King Village and the center of the complex at Western Manor. All household garbage should be placed in them, not next to them, for pick-up by our garbage disposal vendor. Door-to door pick-up is not provided. Residents may be charged if garbage is not placed inside the dumpster. Residents may be charged for trash and/or property left outside of apartments, buildings or dumpsters.

All other common areas do not require a reservation. Maintenance of vehicles on complex property is strictly prohibited. Water hoses may not be hooked up to the exterior water sources of the building for the use of cleaning or recreation.

Fire Arms
Weapons are not permitted inside the apartment. Weapons may be stored in the trunk of your car. Failure to comply may result in judicial action.

Fire Alarms and Fire Fighting Equipment
Any fire alarm is to be treated like a real fire. Exit the building and wait for further instruction from the fire department. Tampering with fire and safety equipment in the apartment or in any campus building is prohibited. Tampering includes pulling false fire alarms, discharging fire extinguishers, removing exit signs, and interfering with smoke detectors. Interference with smoke detectors will result in disciplinary action. Students responsible will be assessed for all damages that occur as a result of their tampering with fire and/or safety equipment. In addition, all violators are subject to judicial action.

Gas Appliances (ESKV)
Stove, furnace, water heater. Gas utility and electricity needs to be transferred to your name. You are responsible for maintaining and reporting any issues. Call the RA in the event of any leaks.

General Responsibilities of All Residents and Guests
Residents and their guests are expected to conduct themselves in a safe and orderly fashion while residing in and visiting University Apartments. Any behaviors disruptive to sleeping, studying or safety are prohibited. This includes resident(s) guests.

Guests
A guest is considered any person present in an apartment that is not listed on the Agreement. Renters that host guests are responsible and accountable for guest actions and behavior. Guests may be required to leave the complex at the discretion of the staff.
**Landscape / Community Garden**
Please do not plant any vegetables or uproot any plants around the apartment building. Annuals and flowers from seed are permissible via approval from the Community Director. A community garden is available to grow plants on a larger scale located by the soccer field at ESKV. Garden plots generally become available in March and rates vary upon size. These plots are reclaimed and tilled in January. These plots are available on a first come, first serve basis for students. Speak with the Community Director for more information.

**Laundry and Shopping Carts**
Please do not remove any laundry baskets or clothing from the laundry room. Using shopping carts from nearby stores is a theft and a crime.

If differences cannot be resolved in this manner, contact your Resident Advisor for assistance. Quiet hours are from 10:00pm until 8:00am during weekdays and 12:00am until 10:00am during weekends.
